

2015 Retreats

Project New Hope

<http://projectnewhope.net>

Project New Hope exists to provide veteran family retreats.

Including the whole family (even the kids!) is unique to Project New Hope and fosters family togetherness through a wilderness getaway.

It is our goal to provide combat veterans and their families with the education, training, and skills necessary to manage their lives after wartime service; repair of relationships is a primary goal. And of course, have fun in the process!

NO COST TO PARTICIPANTS. That's right. There is no cost to the families on the retreat.
